

QUIZ 1: Something Fishy?

**ANSWERS**

**We raised £104 for TLD Village Hub projects to benefit the village and its community.**

Thanks to all who donated a £1.00 or more to enjoy puzzling over “Something Fishy?”  
Thanks to the shops and businesses who displayed the quiz jars and helped raise this amount.

**Confession:** We are not all ANGELS; we FLOUNDER about at times;  
the organiser accepts SOLE responsibility for an error in no.20.  
A few copies had (8) letters – a typing error, not a Red Herring! Most copies had (5) letters.

In consequence, to make it fair for everyone, the quiz was marked on the first 19 clues only.  
Entries came from far afield as well as from the village.  
The winner was drawn at random from the sixteen correct entries; the winner has been notified.
